First Mr. Henderson have you ever read the First amendment? I have the Right to speak to any government employee I wish. Second, I was asking about court dates no different than you have done in the past.

I have only represented myself which is also a Constitutional Right as any party may make motions and you choose to make me a party to this.

Mrs. Hamilton, the parties have been advised not to contact Mr. Fajgenbaum concerning this proceeding. Nevertheless, Mr. McCoy continues to contact Mr. Fajgenbaum by email, and Mr. Fajgenbaum is responding to Mr. McCoy and copying me. Under the circumstances, I am not going to respond or copy Mr. Fajgenbaum.

I would like the court to be aware of the attached motion that I filed today concerning Mr. McCoy's continued efforts to represent corporate entities in this proceeding, as well as his efforts to reschedule a hearing that Judge Whitley has set for December 18.
